2	Enter email	Firdousriaz4@gmail.com				
3	Enter message	When will the sale arrive?				
4	Click send					
Post-condition: massage can be read from database and then accordingly replied to it through email.						

Project Name: Elegant – online shopping	
TEST CASE TEMPLATE	
Test Case ID:2	Test Designed By: Firdous Riaz
Test priority (Low/Medium/High):high	Test Designed Date:23/05/2021
Module Name:	Test Executed By: Misha Akram
Test Title/Name: open social media	Test Execution Date: 23/05/2021
Test Summary/Description:- to access any social media account using website.	
Pre-conditions: link should be available on website.	
Dependencies: social media	

Step	Test Steps	Test Data	Expected Results	Actual Results	Status(pass/fail)	Notes
1	Click respective link/image of social media	Click button	Account of that media opens	Was directed to that social media account	Pass	
Post-condition: directed on new tab to a different page						

Project Name: Elegant- online shopping	
TEST CASE TEMPLATE	
Test Case ID:3	Test Designed By: Firdous Riaz
Test priority (Low/Medium/High): high	Test Designed Date:23/05/2021
Module Name:	Test Executed By: Iqra Irfan
Test Title/Name: click on an item	Test Execution Date: 23/05/2021
Test Summary/Description: - on click the full version of the item appears in the new smaller window over the old window.	
Pre-conditions: item must appear on the women sub window.	
Dependencies: none	

Step	Test Steps	Test Data	Expected Results	Actual Results	Status(pass/fail)
1	Click on the women window	clicks	Full version of item on a new sub window.	Full version of item on a new sub window.	Pass
2	Click on the desired item				
3	Click close button		Window closes	Window closes	
Post-condition: full details displayed					

Project Name: Elegant – online shopping	
TEST CASE TEMPLATE	
Test Case ID:4	Test Designed By: Iqra Irfan
Test priority (Low/Medium/High): high	Test Designed Date:23/05/2021
Module Name:	Test Executed By: Firdous Riaz

ELEGANT

Test Title/Name: show details	Test Execution Date:23/05/2021
Test Summary/Description: - to view all the details and perform further acts of purchasing a user must open product with it all details by clicking show details' button.	
Pre-conditions: User must click on show details button	
Dependencies:	

Step	Test Steps	Test Data	Expected Results	Actual Results	Status(pass/fail)	Notes
1	Click show details button	click	Product with all details price and size further Wishlist and add cart option appears.	Product with all details price and size further Wishlist and add cart option appears.	Pass	

Post-condition: new window with specific product displayed

Project Name: Elegant – online shopping	
TEST CASE TEMPLATE	
Test Case ID:5	Test Designed By: Misha Akram
Test priority (Low/Medium/High): high	Test Designed Date:23/05/2021
Module Name:	Test Executed By: Firdous Riaz
Test Title/Name: To view contact details/ home page	Test Execution Date: 23/05/2021
Test Summary/Description: - -	
Pre-conditions: User must click contact button or home button, respectively.	
Dependencies: none	

Step	Test Steps	Test Data	Expected Results	Actual Results	Status(pass/fail)	Notes
1	click contact button or home button, respectively. As per need	click	As per requirement either page appears on the website	As per requirement either page appears on the website	Pass	

Post-condition: page appears.

CART, WISHLIST AND SIGN IN SECTION: -

Project Name: Elegant Shopping Store

TEST CASE TEMPLATE	
Test Case ID: 1	Test Designed by: Muhammad Mujtaba Khan
Test priority (Low/Medium/High): high	Test Designed Date:6/03/2021
Module Name: Adding to Wishlist	Test Executed by: Muhammad Mujtaba Khan
Test Title/Name: Adding to Wishlist	Test Execution Date: 6/03/2021
Test Summary/Description: Go to an item and check by putting in it Wishlist.	
Pre-conditions: Go to an item and hit the Wishlist button.	
Dependencies: None.	

Step	Test Steps	Test Data	Expected Results	Actual Results	Status(pass/fail)	Notes
